

CARRER DEVELOPMENT BUDDY

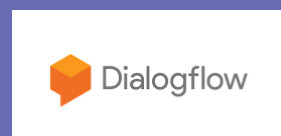

DESCRIPTION

The system empowers students with career exploration, university admissions guidance, and job search support. By offering aptitude tests, personalized recommendations, comprehensive admission check criteria, virtual sessions, and a job portal, the system aims to help students discover their strengths, make informed decisions, and find suitable educational and employment opportunities. Ultimately, the system strives to enhance students' self-awareness, academic success, and career prospects.

FEATURES

- University recommendation*
- One-stop admission check*
- Entry test preperation*
- Field guidance*
- Virtual sessions*
- Job portal*
